W.E RUN 4 LIFE

WORLD EMOTIONAL RUN 4 LIFE **EXPERIENCE**

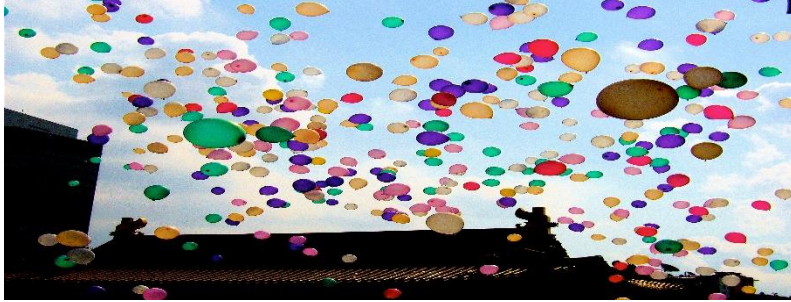

1. Pre-event Fundraising

Leading up to the event all participant will have an opportunity to use creative ways to raise funds and awareness about World Emotional Run 4 Life. The goal is to get everyone excited for the cause with maximum turn out.

2. Opening Ceremony

At the start of your in person or virtual run event, an opening ceremony welcomes all the participants. There may be special guests to educate on the purpose of the run and set individual and collective intentions for the event, as no one event is ever the same.

3. Survivor and Caretaker Recognition

Immediately following the opening ceremony an announcement will be made inviting the following to receive special recognition from the community.

Survivors of slavery and human trafficking, COVID19; COVID Healthcare Workers, COVID Essential Workers

4. Are You Ready? Can You Feel It!

In preparing to line up and begin running each registered team will be announced and every teammate or participant will be celebrated as a community. The collective effort is symbolic of perseverance and strength, which is what it will take to achieve liberty, safety, and equality for all.

5. Running “The Emotional Tour™”

This 5K route runners will have the opportunity to fully experience and express themselves at designated emotional Stops under the guidance of an “emotional tour guide” if they desire. Care stations will be set up between each stop to ensure everyone is supported.

6. Lighting the Luminaria

Many human lives transitioned in the fight to find safety, freedom, and equality. We light the luminaria to honor their life, their fight and to light the path leading to a brighter future of safety, liberty, and equality for all.

7. Closing Celebration

Last, but certainly not least, we conclude with a community dance and drum circle celebration. Will recognize all our event volunteers, the community’s hard work, and the fact that our light will keep going until there is liberty, safety, and equality for all.
